Seeking Application for Project Internship/Post-graduate Training Programme/ Project Work/ Dissertation Work: for Six Months at NIAB

The Institute provides opportunities for outstanding students to carry out project work under the supervision of the Institute's scientists towards partial fulfilment of their undergraduate/postgraduate degrees (of at least **SIX** months' duration; Session II: July -December). Following procedure should be followed by interested students.

Students who are pursuing undergraduate/master degree (e.g. B. Tech, MSc, MVSc, MTech, integrated master students, etc. in their final year) may apply.

The request must come from the Head of Department, and must provide the academic resumes of the recommended student(s) clearly specifying percentage marks obtained at various levels and the subjects covered, as well as the period of proposed project work. Candidate will be selected based on his/her expertise and the need of NIAB research. The committee decision will be final and not subject to any legal issues.

Applicants must mention their broad area of interest in the application form but distribution of Lab will be based on requirement of individual PIs.

Applications for **January-June** Session will be accepted from **3rd October to 2nd November by 5 PM**.

Only **selected students** will be informed by **15th November** for January-June Session. Late applications will not be considered.

Candidates must fill online application form at www.niab.org.in. Candidates are advised to fill the online application form in sufficient time before the last date to avoid last minute technical issues.

The Institute will not provide any accommodation at the campus. The trainee may make his/her own arrangements for lodging, boarding and travel during the period of the work.

There are no fixed numbers available each year but requests are considered on the basis of available vacancies.
