## Advertisement

The Institute provides opportunities for outstanding students to carry out project work under the supervision of the Institute's scientists towards partial fulfilment of their postgraduate degrees (of at least **SIX** months' duration; Session I: January - June 2023).

Students pursuing master's degrees (e.g., MSc, MVSc, MS, MTech, and integrated M.Sc.) in any branch of life science are eligible to apply for this program.

The request must come from the Head of the Department and provide the academic resumes of the recommended student(s) specifying percentage marks obtained at various levels, the subjects covered, and the period of proposed project work. The selection will be based on the candidate's expertise and NIAB research needs. The committee decision will be final and not subject to any legal issues. Applicants must mention their broad area of interest in the application form but distribution of Lab will be based on the requirement of individual PIs.

**Applications are to be filled ONLINE.**

**Online application start date: October 20, 2022**

**Online application end date: November 20, 2022**

**Only selected students will be informed by 30th November 2022 via email along with payment link.**

**Six month training program fee: Rs. =3,000/ (\*Fee, once paid, will not be refunded)**

**Program duration: January 1, 2023 to June 30, 2023**

**Late applications will not be considered**

Candidates must fill online application form at [www.niab.res.in](http://www.niab.res.in). Candidates are advised to fill out the online application form in sufficient time before the last date to avoid last-minute technical issues. **No need to send a hard copy.** Interim enquiries will not be entertained.

Original documents in support of date of birth, educational qualifications, and experience certificate are required to be submitted at the time of joining. The Institute will not provide any accommodation at the campus. The trainee may make their arrangements for lodging, boarding, and travel during the work period.

No fixed numbers of trainees are available each year, but requests are considered based on available vacancies. The Candidate must upload the recommendation of the Principal/ Institute Head/Head of the Department (below format) while submitting the ONLINE application.

**Recommendation of the Principal/ Institute Head/Head of the Department**

I recommend Mr./Ms. \_\_\_\_\_ for doing the Master's Project of six months duration at National Institute of Animal Biotechnology, Hyderabad and will provide official leave of absence for that.

Principal/Institute Head/ HoD
